

Holy Spirit Catholic School
Complementary Course Selection 2010-2011

GRADE _____ STUDENT NAME _____

The courses below are for the 2010-2011 school year. Please place a number from #1 to #18, in terms of the course you prefer. If we see #1 beside the course, we will assume that is the course you would most like to go into. If we see #18 beside the course, we will assume this is the course you would like to see the least. Please make sure that all of the blanks are filled in from #1 to #18! If there are options that your child has already taken this school year, they may take them again, if they choose, as course content will be modified accordingly. We will try and get you into the options that you prefer, however we can only have so many students in each option. The school year will be divided into three terms, with different courses offered during different terms, to maximize your choice of complementary courses. French is a year long course and Robotics as well as Production Drama will be for 2 complete terms, so keep this in mind when making your selection. Also note that several courses have fees attached to them.
