Did You Know?

School Council meets 6 times per school year

For those hesitant about adding more to their plates, it's an easy, informal and relaxed space to learn more about the happenings in the school community, with very little time commitment! Drop in whenever you can!

Feeling Hesitant? Anyone Can Attend

No need to volunteer to become part of the board. Feel free to come out to meet other parents and get to know staff. It's a great place to learn about school goals and activities being put forward to enhance our children's growth and education.

Next Meeting:

March 14th

5:30 p.m. in the library

Getting to Know School Council...

Hello! My name is Tanis Lazenby. I'm Vice-Chair and this is my first year on school council. I have five children at HSCS. Gr 7, Gr 5, Gr 3, Gr 1 and Kinder. I am passionate about Education in general and more specifically Accessible Education for all our children. I'm looking forward to connecting with more families from HSCS!
